The new Academic Center serves Upper and Middle School students.

The Maker Space is equipped with 3D printers for student projects.

All sixth, seventh and eighth grade students have the opportunity to attend Carpe Vitam.
Dear Donors, Contributors, Supporters, Boosters, Volunteers, Friends, Advisors, Colleagues, and Community Leaders:

Last year’s phenomenal success at Frederica Academy is all because of you. You knew there would be a leadership transition and instead of waiting on the sidelines, you jumped in the game and gave generously to the Annual Fund. You responded to uncertainty in signing up for the Apogee program to help the school meet its financial goals for need-based financial aid. You wanted to send a message to our students that you were behind the school and its vision for the future, so you helped us complete our new Arts Center and the dream of having a full-time Arts Director. You saw the need for expanding our Academic Center to enrich teaching and learning for all students and helped us open a dedicated space for Middle and Upper School students. You embraced the potential for functional and creative technology and helped us outfit and equip a new Makerspace. You all helped Frederica to new heights through your generosity and obvious commitment to our students. Thank you!

In all categories, you surpassed expectations. There were a record number of Apogee donors and a record number of dollars pledged for the tax credit program. For Derby Day, we had the most sponsors and the most sponsorship revenue ever. With $2.9 million committed to the Encompass Capital Campaign, the school opened the Murray Field House, built the Terry Thomas Playground, and funded the construction of the new Arts Center. The Booster Club had its best ever fundraising year and contributed to numerous Athletic facility and program improvements. Most impressive is that a stunning 85% of our parents gave to the Annual Fund. 100% of our faculty, board, parent council leadership, and booster club leadership gave to the Annual Fund. We are in the rare company of only a few top independent schools nationwide to attain these milestones.

Special thanks are in order. I am grateful to Jay St. John for his enthusiastic leadership as Interim Head of School. He continues to help us thrive as Interim Head of the Middle School. Our amazing Board chair, Bonney Shuman, and the Board of Trustees have provided practical support, strategic leadership, and good humor. Angela Harrison served as an immensely successful Development Committee Chair with the tenacious duo of Kristi and Ron Harrison as Annual Fund Chairs. Joel Arline served as our dogged tax-leveraging Apogee Chair. Dana and Patrick Parker and Elizabeth and Daniel Veal took us from the starting gate all the way to the finish line as Derby Day Co-Chairs. Laurna Been and Alannah O’Quinn provided direction and leadership as Encompass Capital Campaign Co-Chairs. Hank Rowland was outstanding as an on-site fixture, as the Encompass Campaign Construction Projects Manager. Those not named are the hundreds of you: givers, advocates, and volunteer workers for Frederica Academy.

We were organized and pointed in the right direction through volunteer servant leaders who lead our parent affinity organizations: Tracey Tennant, Parent Council President; Micki Carter, FA Booster Club President; and Melanie Barg er, FA Friends of the Arts President. We could not shine without the many hours of so many givers of time and talent... as well as treasure.

Finally, to those who administer, teach, coach, mentor, and care for students, you are delivering on the Frederica Promise every day. Our students are blessed by your love and support. We are proud of you and what you mean to the daily life and Spirit of our school. Indeed, it is a great gift to be a Frederica Knight!

Gratefully,

John T. Thomas - Head of School

Head of School John Thomas and former Interim Head of School Jay St. John

Frederica Academy has significantly increased its need-based student financial aid budget because of its partnership with the Apogee Georgia School Choice Scholarship Fund. Frederica Academy has raised nearly $1.5 million in Apogee financial aid funds since the program started seven years ago.

The Georgia Tuition Tax Credit Scholarship program allows Georgia taxpayers to receive an income tax credit for donations to registered Student Scholarship Organizations (SSOs). Once pre-approved by the Georgia Department of Revenue, participating taxpayers make a donation to a registered SSO. When making the donation, the donor designates a participating independent school to receive the funds. Frederica Academy selected the Apogee Georgia School Choice Scholarship Fund to be its primary SSO partner.

A donor must be a Georgia taxpayer and must designate one of the following filing statuses:

- Individual filer $1,000
- Married individual who files separately $1,000
- Married couple filing jointly $2,500
- S-Corp $10,000
- Member of an LLC $10,000
- Partner in a Partnership $10,000
- C-Corp or Trust Up to 75% of Georgia tax liability

We salute St. Simons Bank & Trust for its ongoing support and steadfast devotion to helping fund Frederica Academy’s need-based financial aid program. As a C-Corporation, St. Simons Bank & Trust is eligible to participate in the program by making a donation to the scholarship fund and, at the same time, reducing its Georgia tax liability in the amount of the donation.

We welcome International Auto Processing as a corporate donor and thank Hunter Maclean for its ongoing support as a donor in this category.

We have made every effort to include all donors in this publication. If any names have been omitted, misspelled or misplaced, please accept our most sincere apologies.
Creative learning is always encouraged.

Healthy eating habits are formed early at Frederica Academy.

We exchange lessons and letters regularly with our Sister School in Haiti.

FA students work to make a better world through community service.

Teamwork is an essential part of FA spirit.
