

Lower School:

Mrs. Lee's Guidance Update

.....
I am so excited to spend some time each week in the classroom with your kiddos! Each week, I will share a blurb in their classroom newsletter about what we will do in our Guidance time as well as a resource you can use to reinforce the lesson at home!

Our Guidance theme for September is **"Social Skills September"**. We will explore:

- Basic Communication using a Good Face, Good Words, Good Voice
- Personal and friendship boundaries with our Space Bubble
- Building a House of Friendship: Foundation of Acceptance
- Building a House of Friendship: Pillars of Honesty and Humility
