A MESSAGE FROM THE ATHLETIC DIRECTOR

After everything the Athletic Department has been through due to the COVID-19 situation, it's my pleasure to welcome you all back for another season of Knights Football. Our team and coaches have worked very hard to make sure that this season is an exciting one. We are very proud of all of our football players, cheerleaders, and their coaches. To say we are looking forward to Friday Night Lights is an understatement. We have an outstanding Head Football Coach in Brandon Derrick and Cheer Coach in Ashely Zimmermann. I know they are ready to show their teams to the Frederica fans and students. Again, welcome to the 2020 season, and I hope you have a great experience cheering on our team.

Go Knights! Coach Carl Nash

A MESSAGE FROM THE HEAD OF SCHOOL

Welcome to the 2020 Frederica Academy Knights Football Season. We are excited about the upcoming season before us and particularly about the five home games in which we will host. As a reminder, all of these home games are also being broadcast via livestream so you can follow the Knights even if you can't make it onto the campus for every contest.

The entire school community is proud of our athletic programs and all those students/athletes who so ably represent the school by participating in the programs. Our football teams over time have distinguished themselves both on and off the field in their effort and their accomplishments. Our long-standing tradition of strong personal character, a deep determination to compete to the best of their ability, selfless sacrifice for the team, and unfailingly good sportsmanship are all alive and flourishing in this senior-led 2020 edition; and we are extremely proud of everyone affiliated with the program from our players to our coaches to all support personnel including the trainers and the cheerleaders.

On behalf of a school community that is filled with enthusiasm and excitement for our 2020 team, I extend to all a heartfelt welcome onto the Frederica campus and the opportunity to watch a championship program compete.

Sincerely, Scott L. Hutchinson

Becky and Brandon Derrick

BRANDON DERRICK | HEAD FOOTBALL COACH

Brandon Derrick is in his eighth year as head football coach at Frederica Academy, where he teaches Middle and Upper School history. Coach Derrick grew up in Tennessee, where he played for football and baseball state championships his senior year. He received numerous awards in both sports and earned a place in the East Tennessee Sports Hall of Fame.

Coach Derrick graduated from Maryville College with degrees in History, Economics, and Education. While at Maryville, he was a four-year letterman, a three-year starting quarterback, and set multiple school records. He holds a Master of Education in Curriculum and Instruction with a specialty in Instructional Computer Technology from Lesley University.

Derrick began his teaching career at Lenoir City High School in Tennessee, where he served as football offensive coordinator and head baseball coach. Both teams advanced deep into the playoffs that year.

Derrick then went to Temple High School where he was offensive coordinator for four years and defensive coordinator for three years. While at Temple, the team made the playoffs four of seven years and competed in the school's first football playoff game. During his time there, Derrick was the Social Studies Department Chair, Teacher of the Year, and runner-up for County Teacher of the Year. He served on academic committees including the SACS Committee and the State of Georgia Committee for Curriculum Design.

Coach Derrick returned to Tennessee to serve as head football coach at his alma mater, McMinn Central High School. In three years, he had an overall 21-11 record and a region championship. In his last two seasons at MCHS, he compiled a record of 18-4 and his team was ranked in the top five in the state in Class AAA. He was named Region Coach of the Year and the Chattanooga Times Coach of the Year.

Derrick then moved to Glynn Academy where he served four years as the offensive coordinator. In his four years at GA, the offense increased their output in yards and points each year. In his final year, the Terrors averaged more than 35 points per game.

Coach Derrick joined the Frederica family in 2013. In his time at FA, the Knights began competing in Class AAA. Derrick has been named Region Coach of the Year three times, as well as GISA AAA State Coach of the Year, 912 Sports Coach of the Year, and *The Brunswick News* All Area Coach of the Year. Under his leadership, the Knights have taken home three region championships, been runners-up twice, and have advanced to the final four three times. In 2018, the Knights won the GISA Class AAA State Championship, defeating John Milledge Academy 48-0.

He and his wife, Becky, have two daughters, Maddie and Riley. Maddie works with the San Antonio Spurs, and Riley '19 attends Texas Christian University.

TREY BARNES | ASSISTANT COACH

Coach Trey Barnes is a native of the Golden Isles. Born and raised on Saint Simons Island, he graduated from Glynn Academy as a member of the Class of 2011. In 2010, he was awarded the Jimmy Howe Football Scholarship Award and the Principal's Wrestling Award. Coach Barnes is in his fifth year as offensive line coach for the Frederica Knights. He attends Saint Simons Community Church where he is actively involved in the high school and middle school programs.

CRAIG CALHOUN | ASSISTANT COACH

Coach Craig Calhoun Jr. was born in Titusville, Florida, and moved to Brunswick, Georgia, at the age of 14 and attended Brunswick High School.
