# 2018- 2019 FREDERICA ACADEMY PARENTAL CONSENT FOR PARTICIPATION IN ATHLETICS AND PHYSICAL EDUCATION COURSES

<u>WARNING:</u> Participation in interscholastic athletics and/or physical education courses at Frederica Academy includes a risk of injury ranging in severity from minor to catastrophic, including permanent paralysis from the neck down or death. Although serious injuries are not common in supervised athletic activities, it is possible only to minimize, not eliminate, the risk. Participants have the responsibility to help reduce the chance of injury. Student-athletes must obey all safety rules, report all physical problems to their coaches/teachers, follow a proper conditioning program, and inspect their equipment/surroundings daily.

By signing this permission form, you acknowledge that you have read and understand this warning.

With full understanding of the risk involved I/we release and hold harmless my child's school, its employees, schools against which it competes, and contest officials of any and all responsibility and liability for injuries or claim resulting from such athletic participation. I/we agree to take no legal action against Frederica Academy because of any accident or mishap involving athletic participation of my child. PARENTS OR STUDENTS WHO DO NOT WISH TO ACCEPT THE RISKS DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS PERMISSION FORM.

I give consent for my student- athlete to:

- (1) Participate in physical education courses offered through school curriculum.
- (2) Compete in athletics at Frederica Academy, a member of the Georgia Independent School Association.
- (3) Accompany any school team of which the student is a member on any of its local or out of town trips using transportation designated by the school/coaches.
- (4) Have first aid and emergency medical treatment while under the supervision of Frederica Academy. In case of serious illness or injury, school personnel may call 911 for transport to the nearest hospital and treatment by hospital emergency staff.

This acknowledgement of risk and consent to allow participation shall remain in effect until revoked in writing.

#### AUTHORIZATION FOR PRE-PARTICIPATION PHYSICAL EVALUATION

I certify that the medical history supplied to Frederica Academy is complete and accurate. I understand that this medical screening is only to determine fitness eligibility for athletics/physical education courses and is not to take the place of regular physical examinations. I also understand that this evaluation will serve as the basis for determining that my child may compete in school athletics. I release and hold harmless the screening physician, screening staff, and Frederica Academy as it pertains to this athletic screening.

# 2018- 2019 SOUTHEAST GEORGIA HEALTH SYSTEM CONSENT TO TREATMENT AND WAIVER OF LIABILITY FORM

I	[Name of Parent o	or Guardian] am the parent or legal guardian (	of
[I	Name of Student]. I understand tl	hat Southeast Georgia Health System (the	
"Health System") provides athletic training,	first aid and certain other medical	al services in connection with certain athletic	
events and programs of Frederica Academy	, including pre-participation phys	sical examinations. In case of emergency or	
accident on the school grounds or during ar	ny school activity involving the ab	ove-name student, which in the opinion of	
school authorities or personnel of the Healt	th System present requires immed	diate medical or surgical attention, I hereby	
grant permission to such school authorities	and Health System personnel to	render medical treatment and to obtain the	
services of qualified medical personnel to tr	reat the condition unless I am pre	esent and request otherwise or until I later	
request otherwise. I also authorize that a pi	re-participation physical examina	tion be conducted on student.	
I hereby release and agree to hold harmless	s Frederica Academy, the Health S	System, and their employees and agents,	
including, but not limited to, the Athletic Tr	ainers and the Team Physicians o	or Team Physician Assistants, from any and all	
liability in case of accident, injury, damage of	or other mishap in connection wit	th all medical services or athletic trainer	
services they provide to the above-named s	student.		
SIGNATURE OF PARENT/GUARDIAN	TELEPHONE NUMBER	DATE	

#### **AUTHORIZATION FOR RELEASE OF MEDICAL INFORMATION**

I authorize the release of medical information to Frederica Academy by physicians and health care providers rendering services to Frederica Academy athletes. The purpose of the release of medical information is to allow Frederica Academy to determine the advisability of an athlete's participation in Frederica Academy athletics. An example would be the release of a screening physical examination. By agreeing to this release of medical information for my son, daughter or other person for whom I have the legal authority to act, I hereby authorize health care providers (including, but not limited to, the Health System and its physicians and athletic trainers) that are contracted with Federica Academy to release to each other and to Frederica Academy oral and written information relating to the athlete's medical or physical condition, illness or injury that may have a bearing upon past, present, or future participation in athletics of Frederica Academy. The medical information will be used by Frederica Academy for the purposes of determining the advisability of the athlete's participation in Frederica Academy athletics. This authorization is expressly bound by the following conditions:

- I understand that my protected health information is protected by federal law under Health Information Portability and Accountability Act (HIPAA) may not be disclosed without my authorization under HIPAA.
- I understand that my signing of this authorization/consent is voluntary and I am not required to sign this authorization/consent in order to be eligible for participation in Frederica Academy athletics.
- I understand that seeking treatment at practice, in training room or evaluation/treatment during games may be in the view of the general public. Frederica Academy and the Health System are in compliance with HIPAA regulations, maintain all medical documents and records in confidentiality, but the nature of treatment in these areas allows for other patients, students, athletes, and staff to be in use of these facilities during my treatment. By signing this document, I understand the possible implications and consent to treatment.
- This authorization will automatically expire upon the athlete's termination of participation in or ineligibility to participate in Frederica Academy athletics, except to the extent relied upon for disclosures made prior to the automatic expiration. I have the right to revoke this authorization in writing at any time by sending written notification to the director of athletics at my institution. I understand that a revocation takes effect on its request date and does not affect any action taken prior to that date.
- I understand that there is a potential for information disclosed pursuant to this authorization may be subject to re-disclosure by the recipient and may no longer be protected by law.
- This authorization shall cover actions by and for Southeast Georgia Health System, Cooperative Healthcare Services, Inc. and all of their respective employees, workforce and business associates and all other physicians and healthcare providers contracted with Frederica Academy and their respective employees, workforce and business associates.

, , , ,		
SIGNATURE OF PARENT/GUARDIAN	TELEPHONE NUMBER	DATE

<sup>\*</sup> This authorization must be signed by a parent, guardian, or other person acting in loco parentis who has the authority to act on the student's behalf. By signing this form, you as the parent, guardian or a party acting in loco parentis warrant that you have the legal authority to act on the Athlete's behalf. The signature may be only the athlete if the athlete is over 18 years of age.

# 2018- 2019 FREDERICA ACADEMY STUDENT/PARENT CONCUSSION AWARENESS FORM

#### DANGERS OF CONCUSSION

Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor "ding" to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in athletics. One copy needs to be returned to the school, and one retained at home.

#### COMMON SIGNS AND SYMPTOMS OF CONCUSSION

- Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
- Nausea or vomiting
- Blurred vision, sensitivity to light and sounds
- Fogginess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
- Unexplained changes in behavior and personality
- Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

- a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.
- b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
- c) It is mandatory that every coach in each GHSA sport participate in a free, online course on concussion management prepared by the NFHS and available at <a href="https://www.nfhslearn.com">www.nfhslearn.com</a> at least every two years beginning with the 2015- 2016 school year.
- d) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.

I HAVE READ THIS FORM AND I UNDE	RSTAND THE FACTS PRESENTED	IN IT.
